Anyone needing a form to apply for a snowmobile trail pass can get it on the AWSC website, AWSC magazine, or Club House.

With the late arrival of snow, and excess fall rains, the trails will not be open until all the swamps freeze up. We could have problems with sinking the groomer plus we don't want riders to get into problems either. We have swamps on both sections of our trail. Lets hope we get very cold weather to allow us to pack down any possible snow pack so they freeze solid,

COUNTY TRAIL CONDITIONS by individual clubs, can be found on marinettecosnowtrails.com, on Travel Wisconsin.com, on TheRealNorth.com and on Face Book Pages.

If any Club Landowner or Member has any ideas for the monthly newsletter, please call Greg Reinhardt 715-927-3595 with ideas.

SNOWMOBILING will soon be here, thanks to all who have signed and brushed our trail system. Notify Trail Boss Gordon Gross at 920-591-0770 if see any problems with this critical area of our trail system, and many thanks again to all our great Landowners and their families for allowing us to use their property for our sport.

It is time to plan for a Club Snowmobile Ride or two this winter. If anyone has an idea or would like to organize an event, please contact an officer or board member listed below.

ATV/UTV rides need to be thought about and get ready for another great spring/summer/fall riding on Marinette Co. Trails.
